SUBJECT.

Proposals regarding the revision of the Jasdik Patti of the Sri Prasanna Kanjundeswaraswami temple at Santepet, Mysore City

From

The Deputy Commissioner, Mysore District.

Letter No. 477, Dated 27th May 1907.

The Muzrai Secretary inspected the Sri Prasanna Kanjundeswaraswami temple at Santepet, Mysore City, in the year 1905. Mr. Amble Annaih Pandit, Dharmadarsi of the temple, then represented to him that the scale of the temple expenditure requires revision. The Deputy Commissioner of the Mysore District was thereupon requested to submit a revised scale with reference to the present requirements of the temple in consultation with the Dharmadarsis of the institution.

The members of the temple Committee (1) Mr. T.K Sundararajenger,
convened a meeting on the 17th April 1907, (2) Mr T Venkatarāmayyā,
and from the copy of the proceedings of the meeting (3) " Ambale Ammāh Pan
filed in the records, the following facts are (4) " Bammmaih
gathered :— (5) " Krishna Setty

(1) The tasdik of the temple is Rs 718-8-0 per annum. This is supplemented by the annual vritti income of Rs 455-8-9, from the village of Hallahalli in the Tedatare taluk, belonging to the temple. The total income of the Institution thus comes up to Rs 1174-0-9 per annum.

(2) Out of the aforesaid tasdik amount, the pay and padi of the temple servants and the expenses of the Nityakatte and Hechukatte Utsavams are being met at present, and no savings are effected therefrom. But out of the vritti amount, Rs 126-7-7 are spent for Rathotsavas Rs 27/- as local Cess due, and the balance ranging from Rs 290 to Rs 290/- is being saved every year

(3) In recent years, through the exertion of Mr Ambale Ammāh Pandit, a row of shops has been constructed in front of the temple, and the compound has been enclosed by a wall and converted into a cart-stand. These are

being leased out and fetch an income of Rs 558/- per annum on an average. This amount is at present being kept by ~~Sri Lakshmi Ammanavaru Swamiji Lakshmi with himself~~ the Dharmadarsi, and is to spent by him for the temple according to requirements. This is done because of the difficulty of withdrawing moneys from the Treasury, in case they are deposited there.

(4) In view to put a stop to the irregular procedure pointed out in the foregoing item and also to utilise the additional income of the temple, the members propose the raising of the scale of Establishment and Paditara charges as below

	Present scale.	Proposed scale.
Establishment .	Rs 581-0-0	Rs 725-4-0
Nityakatle & Adi	67-0-0	186-0-0
Pechukatle Utsavams	185-8-9	350-7-0
Local Cess .	27-0-0	27-0-0
Expenses of collecting the Vrittis of the village		15-0-0
Providing cloths, vessels and for periodical repairs		50-0-0
	Total Rs	1403-11-0

GPB—3,000—22-6-06

thus leaving a saving of Rs 248-5-9 in favour of the temple

(5) In the proposed revision, the pardi pay to the Establishment has been commuted into money payment, and the posts of Shanbhogue Gollar, Dhoti, Davane, Jhankate, Jala, Sumbha and Patil are done away with, being unnecessary. The duties of the Shanbhogue are proposed to be entrusted to the Parpattegar and his pay is proposed to be raised to Rs 7/-. The duties of Gollar are proposed to be given to the cook, and the Dhoti post is to be replaced by that of Kavalgar. As regards the remaining posts, it is proposed that as the incumbents thereof being very poor and on low pay, they should be allowed to continue as such and after them, the vacancies should be abolished and not filled up.

(6) The following hands are proposed to be newly entertained by the Dharmadarisi ~~Sadakshi~~

(1) 3 Mantra pushpa men

(2) a Purannik

* (3) 3 Sripada vains in addition to the one already existing.

(7) Comparative statements shewing the present and the proposed expenditure on account of Nityakatle and Nechukatle Utsavams are also to submitted. From them it is observed that it is proposed to raise the expenditure under this head from Rs 252-8-9 to Rs 636-7-0 per annum.

(8) The Committee also propose that sums of Rs 30, Rs 25 and Rs 25/- should be set apart for the purchase of clothes, of vessels and of periodical repairs to the temple

(9) It is also proposed that a sum of Rs 100/- may be allowed to be kept by Mr. Bammanayya Dharmadarsi, as imprest, permanent subject to adjustment on vouchers to be submitted to the Taluk

at the end of every month.

~~The Muzrai Secretary inspected the ten also in April last, and a detailed informatn on the subject is also found in the Inspectin Nu tion prepared.~~

Muzrai Secretary's Remarks.

I have seen this institution more -- than once, and the 2nd Councillor also was pleased to - visit it the other day. Owing to the interest taken in it by Mr. Anniah Pundit, he and the other Dharma -darsees have enlisted the sympathy of the merchant community and have brought the institution to a ver efficient condition and have largely increased its resources.

What is now aimed at is to bring all the different sources of income together under the mana

management of Government and to fix a definite scale of expenditure The proposals made in this behalf by the Dharmadarsees with the approval of the Deputy Commissioner appear suitable and may be sanctioned.

The Dharmadarsees are prepared to improve the resources still further by building more shops and in other ways, and therefore it is desirable to place an imprest of Rs. 100/- in the hands of Sahukar Banamayya, one of the Dharmadarsees as proposed.

The institution should of course be under the supervision of the Amildar and higher ----- officers and regular accounts should be submitted to the Taluk.

It is understood that the savings of this institution have accumulated to a certain extent and are in the Treasury. The actual amount may be ascertained by a reference to the Deputy Commissioner

The Deputy Commr

Mysore District.

Sir,

When I inspected the Sri Prasanna Nanjundeswara swami temple at Sanctepet in Mysore City in June last I observed that 4 stone posts had been fixed on one side of the entrance in to the temple near the Kitchen. One Gollan Dasappa represented to me that he ~~had~~ had fixed them for the purpose of constructing a small Subrahmanyaswamy temple, and that he would also, for the sake of symmetry, construct Navagraha ~~another~~ temple on the opposite side of the entrance and

was to be rejected & Govt. to establish the Navigraham mutt. Your works in this instance, with this connection, I am directed to invite your attention to this office No. 1200, dt 27th Sept. 1904, and to request to be informed if, as directed therein the said Davappa has already agreed to make adequate provision for the daily performance of worship &c in those temples.

4. It is however requested that the no construction of any other new temple within the temple premises should in future be permitted without the previous sanction of Govt., as the multiplication of such small buildings would mar the beauty of the Swami temple itself.

5. 2. Mr Umble Annaiya Pandit, Dharmadarsee, who accompa-

Kavalgar was necessary for the Instr. I am to request the favor of your opinion in the matter along with your proposals already called for in this Office no 73 dy 8th Aug 05 for revising the temple Establishment.

3. It was also brought to my notice that in the Annamaiyan Samidhi of the same temple, certain devotees were contemplating to construct two arches on both the sides of the entrance to the Samidhi and consecrate Vigneswara and Subrahmanya Deputy idols therein. I am proposals on the subject are awaited.

~~However that before actually doing so, they should obtain the formal sanction of Govt thereto.~~

5. The Brindavan, compound wall and some of the temple Vahanas were observed to be in need of repairs. It was also suggested that the compound might well be spread with stone slabs throughout 10ft in breadth. I am to request you will be so good as to furnish Govt with estimates for each of these items separately at an early date, reporting at the same time the savings at the credit of the institution

6. et report as to the action taken on the above points is requested.

Yours &c,

Order thereon :—

The temple of Sri Prasanna Nanjundeswaraswami at Sanctepet in the Mysore City is a Muzrai institution endowed with an annual cash Tasdik of Rs 718-8-0. It also derives an annual income of Rs 455-8-9, out of the vritti

in the village of Kallahalli, Jedatore Taluk, belonging to the Institution.
